

13th October 2010
10am-3pm

Worcestershire Volunteer Forum “Your future-Generation Y”

MOUNT PLEASANT
HOTEL
50 Belle Vue Terrace
Malvern Worcestershire
WR14 4PZ

On behalf of Worcestershire Infrastructure Consortium (WIC) the Volunteering Hub is pleased to invite you to the Worcestershire Volunteering Forum on Wednesday 13th October at Mount Pleasant Hotel in Malvern. This event is supported by Lloyds TSB Foundation for England and Wales and Capacity Builders.

This August the United Nations launched The International Year of Youth. It is therefore an excellent time to increase commitment to youth and to promote youth participation in volunteering so we are proposing to explore together how well our organisations are placed to attract and involve young people.

Is the younger generation the future for your organisation? Is your organisation attractive to young volunteers? These are just a couple of questions that we aim to address during this day event. There will also be an opportunity for networking with fellow volunteer managers over lunch.

Workshops:

1. "Making your organisation young people friendly"
2. "Supporting young volunteers to move into education, work and training."

"Your future-Generation Y"
