

VCS Representation Feedback

Name:Sally Ellison.... **Organisation** ...WIC (W V C).....

Contact Telephone Number:01905 24741.....

I attended ...Worcestershire Partnership Board.... **Date** 27 / 10 / 2010.....

1. Items of interest to the VCS were:

Partnership Restructure – following the consultation, Simon Adams presented a paper on proposals for the future restructure of the Board!!!

Changes to the LAA – there is no longer a requirement to report to Government on performance against the LAA. As a result, the Board will seek to report on a much smaller number of indicators – probably 20 which were felt to be important to Worcestershire.

2. Issues I raised on behalf of the VCS were:

I expressed concern about the restructure proposals, not least as there would only be 1 seat for the VCS!! Additionally, it seemed that the new 'Board' would decide who the VCS representative would be – I stated that I was unhappy with the proposals and that the VCS should elect its own representative. Given the response that WIC had submitted during the consultation, I felt unable to support the proposals and requested that my abstention be recorded

3. Report to be submitted for 'The Voice' Newsletter Article – please circle?

Something should be included in the next copy of The Voice – just not sure what we should say!!!

4. Please Comment on any problems or difficulties
