

Addressing environmental sustainability – the role of Third Sector organisations

Date: Thursday 10 February 2011

Time: 9.30am – 12.30pm

Venue: Gateway Education and Arts Centre, Chester Street, Shrewsbury,
Shropshire SY1 1NB

Aims of the workshop

- ∅ promote environmental sustainability throughout the Third Sector and engage a broader range of organisations in addressing this issue
- ∅ raise awareness about sustainable development and sustainable practice in the Third Sector and how it can be incorporated into your daily operations
- ∅ facilitate better links between environmental goals and the wider social and economic goals and motivations of Third Sector organisations, individuals and communities
- ∅ encourage Third Sector organisations to lead by example in mainstreaming the principles of environmental sustainability into all that they do

Is it for me? Yes!

- ∅ with an increasing emphasis on environmental sustainability, if you are currently delivering a project or considering applying for European Funding, you will be required to demonstrate your commitment to mainstream sustainable development
- ∅ if you are eager to promote and strengthen environmental focus of your activities; seeking to create positive environmental impact and maximise the long term economic advantage of operating in a more sustainable mode
